Carmichael House,  
North Brunswick Street,  
Dublin 7

9<sup>th</sup> March 2026

**Lough Dan Swim, Charity Fundraiser, 12<sup>th</sup> July 2026**

To whom it may concern,

This letter confirms that Tomás Kelly has the full support and endorsement of 22q11 Ireland to carry out fundraising through a charity swim taking place in Lough Dan, Co. Wicklow on 12<sup>th</sup> July 2026.

22q11 Ireland is a voluntary, parent-led organisation that supports individuals and families affected by 22q11 Deletion/Duplication Syndrome (22q), a complex genetic condition that can impact physical health, development, learning, and mental health. Our organisation provides support and advocacy and pushes for the advancement of care pathways for those living with 22q.

Funds raised through this campaign will be applied directly to the work done by 22q11 Ireland, including;

- Providing trusted information and support to families affected by 22q
- Advocating alongside clinicians and researchers for lifelong, coordinated care for people with 22q – and better systems for rare diseases across healthcare, education, and society in Ireland
- Organising family events and peer support opportunities that connect and strengthen the 22q community

We confirm that this fundraising initiative is legitimate and authorised, and we are grateful to Tomás and his co-organisers for their support, and to all those taking part and contributing to funds raised. Thank you.

If you require any further information or confirmation, please contact us at [info@22q11ireland.org](mailto:info@22q11ireland.org).

Yours sincerely,

A handwritten signature in dark ink, appearing to read 'Anne Lawlor'.
